Join the Shopatron network ... and Sell More

Are you a retail store looking to increase sales and gain new customers?

Shopatron's eCommerce solution helps retailers like you capture online sales. Our patent-pending order exchange has provided retailers with millions of paid orders from top consumer brands since 2001.

It's easy to set up and proven to increase your sales. And best of all, it's free to join Shopatron and see what's selling.

Benefits of Shopatron

Increase sales

Increase your sales by fulfilling online orders for the brands you already stock. With Shopatron, you don't even need a website to make money from online customers.

Get customers in the door

Shopatron allows customers to pick up their eCommerce purchases in your store, driving foot traffic and additional sales, as well as building new customer relationships.

Make better purchasing decisions

Gain instant access to real-time sales information for Shopatron brands without having to fulfill a single order. See what's selling locally or nationally and improve purchasing decisions through better information.

Additional Details

Free sign-up, no monthly fees

There is no cost to join Shopatron, and there is no monthly cost. It takes as little as 30 minutes to sign up and get training on the system.

Reasonable order management fee

With each accepted sale, retailers receive the full amount paid by the consumer minus a small order management fee. The amount to be paid to a fulfillment partner, including shipping credit and tax, is clearly shown before an order is requested.

Around-the-clock support

Shopatron takes the headache out of eCommerce with U.S. and European call centers dedicated to providing training and support for retailers and customers.

Security and reliability

All of your fraud risk is fully covered by Shopatron. If you have fulfilled the order and followed our basic procedures, guarantee you will get paid for every single order.

Simple usage and automation options

Shopatron is easy enough for the least technical employee to use, yet flexible enough to allow complete automation. You decide how to best request and receive your new sales.

Guaranteed payments

For over a decade, retailers have been reimbursed twice monthly for all orders they shipped. Payments are received promptly via direct deposit.
